**PREVIOUS CONVICTIONS AND OR ARRESTS**

A LEIN query was conducted for Mr. Anthony Clark-Reed which revealed no prior arrest. (Document 91-a-u)

**EVALUATION OF PROBABLE CAUSE**

On March 30, 2015, at approximately 9:00 P.M., scout 4-33, manned by Officers Moreno, Carver and Carthan observed a red 2006 Dodge Charger, bearing MI license plate BARB33B, with dark tinted windows, at the stop light on W. Vernor, driven by Mr. Clark- Reed. This prompted probable cause for the officers to initiate a traffic stop to further investigate the Charger.

**SCENE DESCRIPTION**

The incident took place on W. Vernor just west of Cabot. The vehicle, a red 2006 Dodge Charger, bearing MI license plate BARB33B was facing west bound in front of 8748/8746 W. Vernor. It was dark outside and there was ample artificial lighting from the street lights and surrounding businesses. The weather was clear; no precipitation.

**INVOLVED OFFICER(S)**

**Police Officer Eric Carthan, badge 2507, assigned to the Fourth Precinct**

The following is a synopsis of a Garrity interview I conducted on April 28, 2015, at approximately 4:25 P.M., at 1301 3<sup>rd</sup>, suite 319, with Officer Carthan in the presence of Attorney John Goldpaugh:
